

Mr. Venkata Murugan N S National Head of Operations Saint-Gobain India Private Limited

Mr. Venkata Murugan N S is currently the National Head of Operations in Saint-Gobain India Private Limited's Glass Business and the Head of the International Technical Directorate (India). He holds a B.Tech in Chemical Engineering from NIT Trichy (1990) and a Postgraduate Diploma in Environmental Studies from the National Institute of Environment, Lucknow. Additionally, he has certifications in Industrial Safety, Cost Accounting, General Law, Materials Management, HR Management & Financial Management, and has completed Executive Management Programs at IIM Bangalore and IIM Calcutta.

Venkata Murugan began his career at Madras Fertilizers Limited, where he spent eight years enhancing production efficiency and reducing costs in ammonia manufacturing. He then joined **Saint-Gobain in 1998**, where he has held various roles in Production, Operational Excellence, and Plant Management across India, China, and South Africa. His tenure at Saint-Gobain has marked by significant contributions to modernization projects, productivity improvements, and sustainability initiatives.

In his current role, Venkata Murugan oversees all operational aspects of Saint-Gobain's Glass Business in India, ensuring quality standards and driving continuous improvement. As the Head of the International Technical Directorate (India), he leads technical operations and innovation efforts, aligning them with global sustainability benchmarks. He is deeply committed to optimizing energy consumption, reducing emissions, and implementing circular economy practices, playing a pivotal role in Saint-Gobain's journey towards net-zero goals and global environmental standards.
