

Mrs. Esther Jessie HR Head, WIPRO

Mrs. Esther Jessie is the HR Director at Wipro Limited, a global technology company operating across 100+ countries with a workforce of over 250,000. With a career spanning 20 years, Esther has led strategic initiatives across Global HR, Rewards, Inclusion & Belonging, HR Transformation, M&A, and Organizational Design.

She is a recognized HR thought leader known for driving large-scale change and building agile, inclusive people strategies. Her work has been instrumental in reshaping talent models to meet the evolving demands of the digital age—including the rise of AI, hybrid work, and skill-based workforce planning.

Esther brings deep expertise in navigating complex regulatory landscapes and building future-ready HR systems that blend human potential with emerging technologies. An MBA gold medalist and a PGDM in HR, she continues to champion innovation, inclusion, and purpose-led leadership in the workplace of tomorrow.
