

Mr. G Giridhara Gopal, Director & CEO, Addison & Co., Limited

Mr. G Giridhara Gopal had his BE Mech from College of Engineering, Guindy and CMA (Cost Accountant), Institute of Cost Accountants of India.

Starting his career in Grindwell Norton Ltd in 1989, he became Director in Vanmoppes Diamond Tools in 1993 and then joined Addison. He was appointed Director at Addison in 2018 and CEO by late 2020.

At Addison, he oversees RCD, innovation, and expansion into advanced precision tooling, aligning with "Make in India" and smart factory initiatives. He was instrumental in digital transformation: Addison renewed its 25-year partnership with Ramco's ERP under his leadership.

Featured in publications such as "The Machining World Express" (March 2025), highlighting his leadership in furthering Addison's legacy and future growth.
